DECEMBER 2015

President's Message

Greetings,

As 2015 comes to a close and we look forward to 2016, Shirley and I would like to take this time to wish each of you a very Merry Christmas and a Happy New Year. We look forward to making 2016 a great year for our group.

Our dues for 2016 are now due. Please remember to pay them in ASAP. We still do not have any speakers for our programs in 2016. If you have a program that you would like to share with the group, please fill out a program sheet so it can be put on our website.

I'm looking forward to our Christmas Social and all those family items that you share and their significance to your family. This is one of our best programs as we share with each other. Bring your favorite finger food and join in the fellowship and fun as we celebrate Christmas on December 9th.

Just a reminder to all committees, our business meeting will be held on January 13, 2016. Please get your committee together and have your report ready to present at our January meeting. We will also install newly elected officers for 2016.

On December 20, 1860, South Carolina became the first state to secede from the Union. After South Carolina seceded, many other southern states followed suit. This was the beginning of the worst war our country has ever experienced.

Robert
