President's Message

I would like to take this opportunity to say I hope that each of you had a Merry Christmas and a Happy New Year.

As I begin my term as your president, I would like to thank our former president, Lynn Johnson, for his leadership in this role. I would ask that you continue to give me the same support that you gave him. As your president I will be asking each member to get involved and take an active role in DRGHS. It will take all members working together to make DRGHS the best it can be. Like many of you I was raised in Leake and Neshoba County. I moved away for around 44 years before returning to the area. I will need your help in getting to know some of the local officials and people that I will need to know.

As we embark on a new year at DRGHS, let us each one look for ways to improve the society. I think our number one goal should be to increase our membership. I would ask each member to think of ways to promote the DRGHS, to make it exciting to be a member.

In September, the membership voted to ask the entire membership to help with getting the programs for the meetings. This does not mean that you would need to do a program yourself, but you would be the person responsible for getting the presenter or doing it yourself. I know that each of you have a story or an interesting find while you were researching your family history that would be of interest to us all.

Thank you for the confidence that you've shown in electing me president. I will do everything that I can possibly do to make DRGHS the best it can be. It will take all of us working together to achieve our goal.

Wishing each and every one of you a "Blessed New Year".

Robert Evans
