

## Presentation of Charter Member Plaque

Lynn Johnson, former President, and Robert Evans, President, along with Matsy Walker, first President of DRGHS, are pictured with a new plaque listing all the charter members. The society was founded in 1998. The plaque will be placed in the Genealogy Room at the Carthage/Leake County Library.

## Good Advice for Genealogists

from Genealogy Bank Blog

Remember that when a family member passes away, they take a library of memories with them. It's a genealogist's duty to record them before that happens.

If you are the last living link between your grandparents and your grandchildren---don't break the chain.

If you don't want your descendants to put a twist on your life story, **write it yourself**.

Don't take life seriously. Every genealogist knows nobody gets out alive.

### **Humor**

Genealogists don't get Alzheimer's. They just lose their census.

**Flag Day is Saturday, June 14.**

People across the United States celebrate Flag Day on June 14 each year to honor the United States flag and to commemorate the flag's adoption. On the same day, the United States Army celebrates its birthday.

**Father's Day is Sunday, June 14.**

**Dad**

A son's first hero

A daughter's first love

Being a family means you are a part of something very wonderful. It means you will love and be loved for the rest of your life.

'Summertime—and the living is easy

Fish are jumping and the cotton is high'

Also gardening, homemade ice cream, pea-picking, visits from grandkids, mater sandwiches, melon, family reunions and mosquitoes

And it also means summer break for DRGHS.

See you in September.

Have a great summer!!!
