

DANCING RABBIT GENEALOGICAL & HISTORICAL SOCIETY

APRIL 2016

President's Message

Greetings,

I would like to thank everyone who stepped up and filled in for Shirley and me at the March meeting. We had to take care of a medical problem with our oldest son. We hated to miss the exciting program. I have heard what a wonderful program we missed. I would like to thank the writer of the Freeny news section in the Carthaginian paper for including information about our meeting. I would also like to thank the Newton County Genealogical group for the donation to our group. They have been a great support to us.

I would like to take this opportunity to thank everyone who has signed up to do our programs for us. I have enjoyed all of them. They have that special touch that only comes with that family connection to our ancestors. Our next program will be another one of those as Mona Raborn and Estelle Jordan share memories of their Tiner ancestors.

I will be presenting some challenges for the group at our meeting on April 13. As we approach our summer break we need to have everything in place ready to get to work on one of those projects. I have gotten several comments on both projects and I think that they will be something that will involve everyone who has a part in them. We must let our community know what we are about. Shirley and I had a meeting with a person who has grown up in Leake County who did not know that DRGHS existed. He got my phone number from a person in Neshoba County and said that he had never heard of our group. We must let the community know that we are here and what we are about.

See you at the **April Meeting**

Wednesday, April 13, 2016

1:00 PM

Carthage-Leake County Library

114 E. Franklin St., Carthage, MS

Our spring book sale is going very good. We have sold several of our publications.

Looking forward to seeing everyone at our next meeting. Come and bring a friend.

Robert

Remember to check out our website

www.drghs.org

April Program

DRGHS members, Mona Raborn and Estelle Jordan will introduce us to stories about their Tiner family ties. I know they have worked long and hard on this presentation. It should be great.

Mark Your Calendar

DRGHS April Meeting	Wed. April 13
DRGHS May Meeting	Wed. May 11
