

DANCING RABBIT GENEALOGICAL & HISTORICAL SOCIETY

DECEMBER 2017

President's Message

Greetings

As we close the year 2017 we have made great progress in accomplishing the task we set for ourselves. I would like to thank everyone who helped monetarily, materially or with physical labor for all the work you have put forth to get the Sudduth House a little farther toward completion. We still have a long way to go before it is completed but little by little we will succeed. As we approach the new year let's look back and see what we have accomplished.

As we look forward to a New Year let's all continue to work together to make DRGHS what it needs to be. Looking forward to seeing you at the December fellowship meeting and especially the good food as well as the Show 'n Tell. This is an exciting time for DRGHS as we are at a place where we have looked forward to being since the group was formed. I am looking forward to a very exciting new year for our group.

Shirley and I want to wish you and your family a **Merry Christmas** and a **Happy New Year** Let's remember what the Christmas season is all about. It's not the gifts, family or the food but it is the celebration of the birth of the Savior.

Robert

See you at the **December Meeting**
