

DANCING RABBIT GENEALOGICAL & HISTORICAL SOCIETY

JUNE 2021

President's Message

Greetings,

Here we are in June and must now think about the summer that lies beautiful and warm in the months ahead. How I do love the bountiful days of summer!

We have made some wonderful memories these past three months. In April Irene Martin was in concert at the Sudduth House. Irene is a treasure and her music is magic. She began her career at age 5 when she fell in love with the piano, and it continues to bring joy to all who hear her. Frankly, she plays any style with equal sensitivity and skill. And in May, our own Evelyn McGivney presented a portrait of life in Germany. Her presentation was personal as she shared her roots and her family by displaying pictures and items of significance to her first culture. Evelyn helped us gain insight into the beauty and way of living in the small village where she continues to maintain a home.

Now, it is time for our last general meeting until September. On Wednesday, June 9, we will have a presentation by Brother Rogers. He is currently the Director of Programs and Communications Division of the Mississippi Department of Archives. The presentation will focus on the War of 1812 and its implications to the lands of the Treaty of Dancing Rabbit.

Wednesday, June 9, 2021

1 PM

Eads-Mansell-Sudduth House

309 N. Van Buren Street

Carthage, MS

Our gathering will take place beginning at 12:00 noon for light refreshments and the general meeting will begin at 1:00 PM.

Summer is here but our work continues. Soon we will be in position to get estimates concerning the construction of the auxiliary building that has been made possible by a generous benefactor. Our organization will benefit by this addition. Our collection of research materials is extensive and before it can be shared, it must be cataloged and a system of use must be in place. Much must be done. Please let me know if you would like to be included in this work. My email address is susanstygler@yahoo.com. I did not change this when Lynn and I married because so many people have used it in the past. My telephone number is 601-900-9767.

My wish for you is that you enjoy the fruits of the labors of our agricultural community. Go to the markets and stores and see what lies beneath the soil in Mississippi. IT IS AMAZING!

Blessings to all of you,
Susie
