

# DANCING RABBIT GENEALOGICAL & HISTORICAL SOCIETY

October 2020

## *President's Message*

### Greetings

Hope everyone has survived the virus through the spring and summer months.

I was unable to attend the September meeting because of Shirley's illness. She is improving a little each day but still has a long way to go. The meeting was enjoyed by all that were present.

I am looking forward to having the October meeting at 1 PM on the 14<sup>th</sup>. October is the month we elect a nominating committee to select the slate of officers for 2021. I hope you will consider serving on this committee to get the officers we need for the society. If you are asked to serve please consider taking that position.

Please try to attend. We will be practicing social distancing and wearing a mask.

Robert

## What's Happening?

The activities of Dancing Rabbit Genealogical and Historical Society have been greatly impacted by Covid-19. March 11 was the last general meeting before the "shelter in place" restrictions were enacted in Mississippi. In addition, during this time several members have had non-covid health issues to deal with. Indoor meetings of more than 10 persons are now allowed so we are hoping to get back on schedule with our monthly meetings.

Work at the Sudduth House was also greatly curtailed due to social distancing. But now we have some members who are working on unfinished projects. Members are also working on cataloging and storing historical materials donated by the Dixie Petty family and other families. It will take a while to make up for time lost but we will get there.
