

DANCING RABBIT GENEALOGICAL & HISTORICAL SOCIETY

JUNE 2016

President's Message

Greetings,

On June 8th we will have our last meeting before our anticipated summer break. I know we all have many plans for a busy summer. I hope each of you have a safe and fun-filled one.

Mike Ellis and his committee are diligently working on securing a home for DRGHS. We hope to have a progress report from that committee on Wednesday.

Our program for June 8th will be presented by Mike Ellis. He will be speaking about Carthage and its history. I encourage each member to come and support him and I challenge each of you to invite a guest.

Father's Day is June 19th. I'd like to wish each of you who are fathers a happy Father's Day.

I hope to see each of you on September 14 at which time we will resume our monthly meetings. Come prepared to roll up your sleeves and get to work on making DRGHS the best we can make it. If you have any ideas along this line please call me and let's talk about them.

Robert
