

DANCING RABBIT GENEALOGICAL & HISTORICAL SOCIETY

MARCH 2021

President's Message

Dear Members,

*"May joy and peace surround you,
contentment latch your door, and
happiness be with you and bless you
evermore."*

This is one of my favorite Irish blessings. Over 32 million Americans claim Irish roots in their ancestry. Ireland is the ancient land of green fields, sparkling waters, and brown bread with a bowl of hearty soup on a cold afternoon. It is the beauty of the Cliffs of Moher on the west coast or the rocky land of the Burren or the millions of wonderful images of the mystical island. It is the lovely lilting language and the haunting music that call us home this time of year. Even though we may not have a drop of Irish blood in our veins, everyone is Irish in this Month of March.

You are invited to a bit of an Irish celebration at our meeting on Wednesday, March 10. We will have a little Irish stew and soda bread at noon. Our general meeting begins at 1:00. Please feel free to come and share some of your traditions, family history, or if you have been fortunate to dance the River Dance on Irish soil or to kiss the Blarney Stone, we would love to hear your Irish story at our gathering. There is also much to discuss about the immediate future of our beautiful home in Carthage. Your input is important to DRGHS.
