

# DANCING RABBIT GENEALOGICAL & HISTORICAL SOCIETY

MAY 2019

## *President's Message*

Greetings,

As we begin May let us remember that we celebrate all mothers on Sunday, May 12. If you are one of the blessed to still have your mother, consider it an honor. Spend time with them because one day you will not have that opportunity.

As you know we are still trying to determine the correct construction date of the house. I have a meeting scheduled on May 14<sup>th</sup> with Mr. Bridgforth and three others from MDAH at the Eads-Mansell- Sudduth house. He sent me a letter stating some questions that they have about the date we have used. I shared his letter with our group at the April meeting. Hopefully, after they examine the construction of the house, we can come to agreement with them on the correct date of construction. I am not in favor of going with the 1880 date they have on record. I will keep you advised of the outcome of our meeting.

I hope all of you made it through the storms last week with little or no damage. Shirley and I had trees blown down in the back of our yard and some roof damage to the house. I have the roof repaired and have started to remove the trees. Leake County took a hard hit but thankfully there were no deaths reported.

Wednesday, **May 8, 2019**

**1:00 P.M.**

**Eads-Mansell-Sudduth House**

**309 N. Van Buren Street**

**Carthage, MS**

I want to thank Henry Bryan for his effort to get the water leak at the street stopped. I hadn't had much success myself, so hats off to Henry! I've been by the house a couple of times and the yard is dry around the meter so maybe they have it fixed this time. Thanks, Henry.

Judy Hall Tucker will be our speaker for the May 8<sup>th</sup> meeting. You won't want to miss hearing her speak. I'm looking forward to the program and to seeing each of you there. Invite a friend to come with you.

Robert
