OCTOBER 2016

President's Message

Greetings,

As this year is coming to an end it is time to elect our officers for the coming year. At our October meeting we will be electing a nominating committee to get a list of officers. If you are interested in serving on this committee, please come and share it with the group.

We have had some wonderful programs this year. The one Kathy gave last month was great and interesting about a family that lived in the South during the Civil War. The one we will be having this month sounds like it will be very interesting also. If you or someone you know is interested in giving a program for us please fill out a form and get it on the 2017 calendar. I have spoken to two people and they have accepted for the months of February and March.

The acquisition of the Sudduth house seems to be progressing. Hopefully the transaction will be complete within the next few weeks.

A number of DRGHS members manned a booth at the South of the River Roux festival in Walnut Grove. Several people made donations to the society for the drawing of the Ryobi toolkit to be given away at the Wildlife Extravaganza to be held at the Carthage Coliseum the evening of November 17. DRGHS plans on having a booth at this event and will be looking for volunteers to sell tickets that night. They usually have a crowd of about 5,000 attending this wildlife show. Each of us needs to support this fundraising endeavor.

Robert
