SEPTEMBER 2017

President's Message

Greetings,

I'm looking forward to resuming our meetings and seeing each of you. I hope you all have had a great summer.

As we resume, we can look forward to an exciting full fall and winter schedule. In addition to our monthly meetings with great programs scheduled, we will be participating in South of the River Roux in September, the Big Buck Contest in November, nomination and election of DRGHS officers for 2018 also in November and the Christmas Social with "Show 'n Tell" and installation of officers in December.

Work has continued through the summer on the Sudduth house. We've made quite a lot of progress but there is much more to do, mostly cleaning and preparations for painting at present. We are still in need of donations of household cleaning products (for cleaning walls. etc.), interior and exterior white paint, rollers and brushes, monies for supplies, an electric hot water heater, electric kitchen stove, air/heating system, insurance, utility bills and lots of labor! I'd like to take this opportunity to say THANK YOU to each of you who have braved the heat and worked tirelessly for hours on this project and to those of you that have helped with donations and support. Everything that has been done or given is greatly appreciated. This is a monumental undertaking for our small group but we can accomplish it. Not in a day, week or year, but if we persist we will reach our goal. We've always wanted a place for our group to call home. This can be that place as well

See you at the **September Meeting**

Carthage-Leake County Library

as a place in which Carthage and Leake County can take much pride.

For our fundraiser this fall, we will be raffling off a Remington 8amp electric pole saw that extends to 10,' which was donated by Bob and Ruth Summerlin. A second prize will be a 5' handcrafted rustic cedar swing by Phillips Wood Works. Raffle tickets will be distributed at the September meeting. Drawing for the prizes will be held at the Big Buck Wildlife Seminar held in Carthage on Thursday November 16. We will need to have ongoing efforts all through the year to raise funds. Please contact me if you have ideas. I know each of you can think of something that we can do.
